Dear Sir:

At the suggestion of Mr. Archibald Firestone, we are sending you, under separate cover, with out bill, a copy of Low's Hard Times Tokens, the last of those we have remaining. If this is satisfactory, we shall be glad to have your cheque. If not, you may feel free to return it.

Have you ever considered becoming an Associate member of our Society? The dues are but five dollars annually, and we should be very glad to have you fill in the enclosed application card and return to us should you desire to have us place your name before our Council at its next meeting.

Very truly yours,

Encs.

Fikens. would you let me know as to where I may obtain another copy of the regular Supplement the Supplement you sent is a reprint of the A.N.S. and you know it is smaller than Louis work. I wish to have both bound and this reprint is a hard thing to bind for I would have to separate the pages and then sew same by that time the Supplement would be 2 inches

Dear Mr. Lawless:

Your letter is at hand, and I hope that we shall hear from you at the beginning of the year regarding membership. We should very much like to have you numbered among our supporters.

I note what you say with regard to the reprint of the supplement to Low's Hard Times Tokens, and if I hear of a copy, I shall certainly bear your need in mind. Unfortunately, however, the prospect is not good, and that is the reason for sending the Journal form.

I am sorry that we did not have the pleasure of greeting you here after the Convention, and hope that we may see you at another time.

Very truly yours,

Secretary
